Phone Number	4158608800

Q2

Years residing in San Anselmo

1998-2010 2014-2022

Q3

Occupation

Real estate finance

Q4

References

Name/Phone	Jeff Kroot 415-456-5531
Name/Phone	Matt Brown 415-308-1408

Q5

Yes

Are you available to attend daytime meetings?

Q6**Yes**

Are you available to attend evening meetings?

Q7**Respondent skipped this question**

Days you are not available to attend daytime/nighttime meetings

Q8**Renter,**

Please indicate which segments of the community you would represent as a member of the HEAC

Owner**Q9****Single Family (1 unit, or 1 unit plus an ADU)**

Which answer best describes the type of housing you live in currently

Q10**Single without children,**

Household Type (check all that apply)

Family with children**Q11****Older Adult (65+)**

Age Group

Q12**Earning more than \$120,200 for a 1-person hh, \$137,350 for a 2-person hh**

Household (hh) Income Group (voluntary, not required - 1 or 2 adult earners)

Q13

Briefly describe your educational, employment, and civic participation background

BA from Vanderbilt University, residential mortgage broker/banker in Marin for 30 years, currently working full-time independently. No recent civic participation. I have owned and lived with my family in two houses in San Anselmo over a period of 12 years, from 1998 to 2010. As a single person, I have rented a home here for the last 8 years.

Q14

Briefly describe your interest your interest in serving on the Housing Element Advisory Committee (HEAC)

I am applying for this position because it is an area both of interest and expertise, and because I do want to give back to the community. Both personally and professionally I have been avidly following the emergence of ADUs for over a decade. I raised three children in Marin, all of whom live here (two are homeowners), so I have also been keenly following the affordability debate, and all of the thorny issues involved. I would really like to be involved in finding ways to thread the needle of mitigating the housing shortage/affordability issues that we face without doing damage to the quality of life that brought us all here.

Q15

DECLARATIONS - Please acknowledge each item by checking the corresponding box

I am aware that the Housing Element Update process is up to a 1-year effort and I am prepared to make the commitment to serve on the HEAC for this time period. I understand my role on the HEAC and am prepared to serve accordingly.

,

I request that you consider my application to be a member of the San Anselmo Housing Element Advisory Committee (HEAC). I am prepared and will be able to devote the time necessary to perform the duties of this body. I am also aware that my application will be made public as an applicant for this body and that this application will be held on file for subsequent vacancies.

Q16

By entering your name below, you acknowledge that that you have completed this application for yourself and no one else.

Q11**Older Adult (65+)**Age Group

Q12**Earning between \$60,900 and \$120,200 annually for 1-person hh, \$69,600-\$137,350 for a 2-person hh**Household (hh) Income Group (voluntary, not required - 1 or 2 adult earners)

Q13

Briefly describe your educational, employment, and civic participation background

Licensed Architect, B. Arch from UCB, practicing residential design since 1971. Most recent 18 years in construction administration with HKIT Architects. Participation in affordable multi-family and senior housing projects - including Alma Via in San Rafael - and non-profit sponsored housing for the formerly homeless. Assignments included meeting with Owners, Sponsors, Agencies and Contractors.

Q14

Briefly describe your interest your interest in serving on the Housing Element Advisory Committee (HEAC)

San Anselmo is such an attractive town for many people. Finding appropriate ways to integrate a diverse population into a community that is historically developed is a fascinating challenge. The existing physical environment will impact social and economic goals. I believe I can bring hands-on experience in that aspect of the Committee's work.

Q13

Briefly describe your educational, employment, and civic participation background

I graduated from San Francisco State University with a BS in Business Administration. I am a former CPA, with 5 years at Ernst & Young. I owned and managed a document management company, Fort Docs, for 5 years. I have 20+ years of experience working with Non Profit organizations as Controller, Director of Finance, and CFO. I am the founder and principal consultant at Cycle Advisors, providing interim and fractional CFO service to Nonprofit organizations for the past 3 years. I am a former trustee of HeadsUp, the foundation supporting San Rafael Public Schools. I have been the treasurer at Leadership Public Schools in Oakland for four years, term ending in June 2022. I volunteered in the local public schools when my children were student, from 2000 - 2013. I served worked with MCBC to launch the Safe Routes to Schools program at Sun Valley Elementary School.

Q14

Briefly describe your interest your interest in serving on the Housing Element Advisory Committee (HEAC)

I have lived in Central Marin for over 30 years, the last 11 in San Anselmo. During this time, the demand for housing to accommodate working and middle class families has out paced supply. The state of California has passed legislation requiring all municipalities to develop plans to expand the number of housing units. I look forward to collaborating with others in the community to develop recommendations that support housing development to meet the increased demand.

Q13

Briefly describe your educational, employment, and civic participation background

Attended Archie Williams HS, earned a BA in Philosophy from SFSU. Civic participation has been mostly in the form of peaceful protest, and attending town meetings to speak on subject which interest me.

Q14

Briefly describe your interest your interest in serving on the Housing Element Advisory Committee (HEAC)

I am interested in working to develop more affordable housing in San Anselmo so that the population of the town becomes more diverse and energized. I'd love for the town to become a model of imagination and creativity when it comes to how we deal with affordable housing.

Household (hh) Income Group (voluntary, not required - 1 or 2 adult earners)

Q13

Briefly describe your educational, employment, and civic participation background

- Bachelor of Science, Journalism + Juris Doctor.
- 9 years in private practice of law — predominantly civil litigation (licensed in CA and FL)
- 16 years Corporate experience in Reinsurance/Insurance executive positions.
- Recently resigned from Chief Claims Officer position at Swiss Re Corporate Solutions (was head of North America Claims), and with more free time - I am now looking to expand my involvement in local civic and philanthropic endeavors.
- In my career I have been heavily involved in diversity, equity & inclusion initiatives — most recently serving as Executive Sponsor for Swiss Re's Together with Pride (LGBTQ) Employee Resource Group
- We are a diverse family (multi-racial and LGBT), so we represent a perspective that is relatively unique in San Anselmo & Marin County at large.
- I have been active in national politics, working as a volunteer for the Obama, (Hillary) Clinton & Biden presidential campaigns.
- Our two children (ages 15 & 16) have lived their whole lives in San Anselmo, so we have broad familiarity & experience with Rec Sports, public & private schools (Brookside, St. Anselm, Marin Catholic & Archie Williams), local businesses, etc. - but I have not been directly involved in local politics, so I start with a super clean slate.

Q14

Briefly describe your interest your interest in serving on the Housing Element Advisory Committee (HEAC)

I am passionate about equity in all of its dimensions, but especially equitable use of land and public resources. The daughter of a City Engineer, I have always had a keen interest in urban planning and development that started with my law school elective courses in Zoning and Real Property.

I have followed with great interest the challenges the pandemic has highlighted & exacerbated in respect of the growing socioeconomic divide. What seems to be standing in the way of solutions to challenges like affordable housing — particularly given our current political climate — is the right mix of creativity, pragmatism and empathy.

With my legal and regulatory background, and my 16+ years of lived experience in our town, I feel uniquely qualified to bring focused, objective, problem-solving skills to contribute to the evolution of our Housing Element and General Plan. San Anselmo is a town of great promise & I would be grateful for the opportunity to contribute & serve to insure that the San Anselmo Housing Element Update achieves our broadest community objectives for equitable land use, transportation, conservation, noise, open space, safety, and housing.

Thank you for your consideration.

Q13

Briefly describe your educational, employment, and civic participation background

I have a BA in Political Science from the University of Florida, a MA in Organizational Leadership from Columbia University and an Ed.D in Educational Leadership from the University of Florida.

I am currently self-employed as a consultant specializing in education, particularly charter school authorization. I began my career as a teacher and have worked in education for nearly 20 years, including several years leading charter school oversight for the state of Louisiana.

I am a recent resident of San Anselmo and moved during the pandemic so I am just beginning to engage in the local community. I first became engaged with community service through my experience becoming an Eagle Scout. Before moving to California, I was very active in the New Orleans community including serving on the board of the Young Leadership Council (including 1 year as Vice President) and as a founding member of the Independent Police Monitor Task Force. I hope to become more engaged in the community as in-person events become more accessible.

Q14

Briefly describe your interest your interest in serving on the Housing Element Advisory Committee (HEAC)

I bring a range of experiences and knowledge to the HEAC and hope to learn from this process and other members of the community. First, I have a professional background in policy and have actively followed the RHNA process and data; I am familiar with the RHNA process, California's legislative process, as well as our local government.

Having recently purchased a home in San Anselmo, I am intimately familiar with the challenges of buying a home and homeownership in Marin and across California at this time. In addition, my home has an approved ADU that is structured and approved as a rental unit but, for various reasons, we have opted not to put it on the rental market at this time; accordingly, I have a vested interest in the rental market. Further, I have worked in schools located in socioeconomically disadvantaged communities for nearly 20 years so I am deeply passionate about fair and accessible housing and their value to local communities.

I hope to participate in the HEAC to engage with other members of the local community as we learn together and solve complex community-wide problems. I am thankful for the opportunity to live in such a delightful town and hope to give back to the local community by offering my time and service.

- B.S. UC Davis
 - M.A. UC Berkeley
 - 22 years of employment at Dominican University serving on multiple committees (e.g., the Institute for Leadership Studies Board)
 - Member of San Anselmo Resilient Neighborhoods group in 2018
 - I have attended presentations offered by the town of San Anselmo, such as the two on the Hub studies.
-

Q14

Briefly describe your interest your interest in serving on the Housing Element Advisory Committee (HEAC)

I am a lifelong Marin resident. I have mostly been a renter, but in 2017 I was lucky enough to purchase one of the few below market rate homes in San Anselmo through the Marin Housing Authority. I stay current on housing legislation, within both California and Marin County. Serving on the HEAC sounds really interesting and I believe my background and experience are directly in line with your qualifying factors.

Q9**Single Family (1 unit, or 1 unit plus an ADU)**Which answer best describes the type of housing you live in currently

Q10**Family without children**Household Type (check all that apply)

Q11**Older Adult (65+)**Age Group

Q12**Earning more than \$120,200 for a 1-person hh, \$137,350 for a 2-person hh**Household (hh) Income Group (voluntary, not required - 1 or 2 adult earners)

Q13

Briefly describe your educational, employment, and civic participation background

I manage the University of Redlands Marin campus in San Anselmo, living on site and supervising rentals to students and non students

Q14

Briefly describe your interest your interest in serving on the Housing Element Advisory Committee (HEAC)

The University of Redlands seeks to better understand and serve the community through its provision of housing resources. I would like to learn more and contribute to community on behalf of the University. I have recently located to the campus as a permanent resident.

Q15

DECLARATIONS - Please acknowledge each item by checking the corresponding box

I am aware that the Housing Element Update process is up to a 1-year effort and I am prepared to make the commitment to serve on the HEAC for this time period. I understand my role on the HEAC and am prepared to serve accordingly.

,

I request that you consider my application to be a member of the San Anselmo Housing Element Advisory Committee (HEAC). I am prepared and will be able to devote the time necessary to perform the duties of this body. I am also aware that my application will be made public as an applicant for this body and that this application will be held on file for subsequent vacancies.

 San Anselmo Mayor, 2000-2001
 San Anselmo History Commissioner, 2006-2009
 San Anselmo Town Council, 2009-2013

Q14

Briefly describe your interest your interest in serving on the Housing Element Advisory Committee (HEAC)

I am a long time resident of San Anselmo and an architect with an office in Town. Over the years I have developed a good feel for the needs of our community through my career and community service. I understand the need for affordable housing, but I am concerned about overdevelopment and the destruction of our heritage homes and neighborhoods. There is a balance that must be made and I feel my input on the Committee will be useful.
